# ESC Implementing Guidelines for Continued Participation

## Certification/Recertification Revisits (SY 2022-2023)

- For continued participation in the ESC Program  
Certification/Recertification Revisits shall be conducted to applicant schools/participating schools, respectively, which attained an Overall Certification Rating of **below 3**, specifically:
  - **Limited Compliance**
  - **Partial Compliance**
  - **Substantial Compliance**

# ESC Implementing Guidelines for Continued Participation

## Certification/Recertification Revisits (SY 2022-2023)

- **Area** Certification/Recertification Revisits shall be on the:
  - 1st/immediate year after the last visit/activity for those with **Limited Compliance** on Core and Support Areas rated 1
  - 2nd year after the last visit/activity for those with **Partial Compliance** on ALL Core Areas Rated Below 3
  - 3rd year after the last visit/activity for those with **Substantial Compliance** on Core Areas Rated Below 3

## Retained Certification/Recertification Status

- Certification/Recertification Revisit No marked improvement is manifested.
- **Second Area** Certification Revisit activity
- **Full** and **Complete** Certification/Recertification Revisit conducted on the immediate year following, consequently not raising the level of the Overall Certification status of the school.

\*Should the school fail to improve its Certification/Recertification status after these revisits, the school reverts to the lower status corresponding to its last revisit rating.

## Implications of a Retained Certification Status on School Eligibility and ESC Grantees

- The school is granted Conditional Participation where no Grade 7 slots and additional slots shall be granted to the school pending an improved Overall/Final Rating after the **Full** and **Complete** Revisit.

## Failed Certification/Recertification Status

- Happens when the school receives an Overall/Final Rating of 1 or 0 after:
  - An Area Certification/Recertification Revisit
  - **Full** and **Complete** Certification/Recertification Revisit immediate school year following the failed Area Revisit

## **Implications of a Failed Certification/Recertification on School Eligibility and ESC Grantees**

- Termination of the school from the ESC Program shall be implemented in the immediate school year following the revisit starting with no Grade 7 slots. Grade 8-10 ESC grantees shall be allowed to finish JHS.

## **Failure of Certification/Recertification Activity (FoA)**

- Happens when the Certification/Recertification Activity/Revisit Activity did not proceed as scheduled without prior notice from the school or approval from PEAC Executive Director. The school submits a letter of information on the failure of activity and upon deliberation on the case, a Certification/Recertification Revisit Activity may be scheduled the following school year. A second FoA means a Failed Certification/Recertification status for the school.

## PEAC Guidelines for Continued Participation

- **Certified Status** - This happens when the school attains an Overall Certification Rating of 3; an Overall Certification Rating of 3 with a 4 in at least 2 Core Areas; an Overall Certification Rating of 4.
- However, eligibility to participate is extended even for those with **Substantial** to **Limited** Compliance.

## **Incentives of a Certified Status**

- Recognition for having attained Certified Status shall be presented to the school during the Annual GASTPE Orientation Assembly.

## **Training of Certifiers**
