ACCREDITING COUNCIL, INC.

Faithful Beginnings

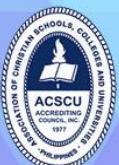

- Journeyed with the Association of Christian Schools and Colleges (ACSC)
- Established faith-based quality standards that nurture character, integrity, and mission

COLLEGES AND UNIVERSITIES
ACCREDITING COUNCIL, INC.

Historical Milestone

- 1976 - ACSC formed a Committee on Accreditation to develop the first evaluation tools
- Planted the seed for what we now know as ACSCU-ACI
- Helped establish the Federation of Accrediting Agencies of the Philippines or FAAP with PAASCU and PACUCOA

COLLEGES AND UNIVERSITIES
ACCREDITING COUNCIL, INC.

The ACSCU-ACI Distinctive

- The smallest, among CHED, DepEd, and FAAP recognized agencies - but this is our strength.
- Our size lets us be personal – to mentor, walk closely with schools
- We nurture communities of faith and service
- For ACSCU-ACI, quality is measured by transformation, not numbers

3. AI Integration with Discernment

Used wisely, AI will help institutions:

- Promote **accuracy** in documentation;
- Support **under-resourced institutions** in preparing and presenting evidence

ACCREDITING COUNCIL, INC.

Areas Where Discernment is Needed

- 1. Accuracy** - verifying information rather than blindly trusting what AI produces;
- 2. Context and Authenticity** - remembering that AI can process data, but cannot capture the human story and an institution's mission;
- 3. Confidentiality** - ensuring sensitive information is protected; and
- 4. Equity** - recognizing that not all schools will have equal access to AI tools and training.

ASSOCIATION OF CHRISTIAN SCHOOLS,
COLLEGES AND UNIVERSITIES
