THE TEST OF EXCELLENCE

Who We Are

We are the pioneer and leading provider of testing services, using our own locally developed standardized assessment instruments, in the Philippines since 1978.

We are a non-stock, non profit, service-oriented organization committed to promoting quality and equity in education through sound assessment and research.

THE TEST OF EXCELLENCE

Our Beginnings

- 1968-Launch of cooperative testing program by ADMU, San Beda and Siliman, under the management of FAPE
- Demand for technical assistance in student selection and institutional planning through standardized testing
- 1978- Spin off of CEM from FAPE
