# JOURNEY OF JAAGO

17 children, a whiteboard, a piece of carpet and a room full of hope in the slums of Dhaka in 2007

# JOURNEY OF JAAGO

Launched formal  
Education of the  
Bangladesh Govt.  
English Version  
Curriculum (NCTB)

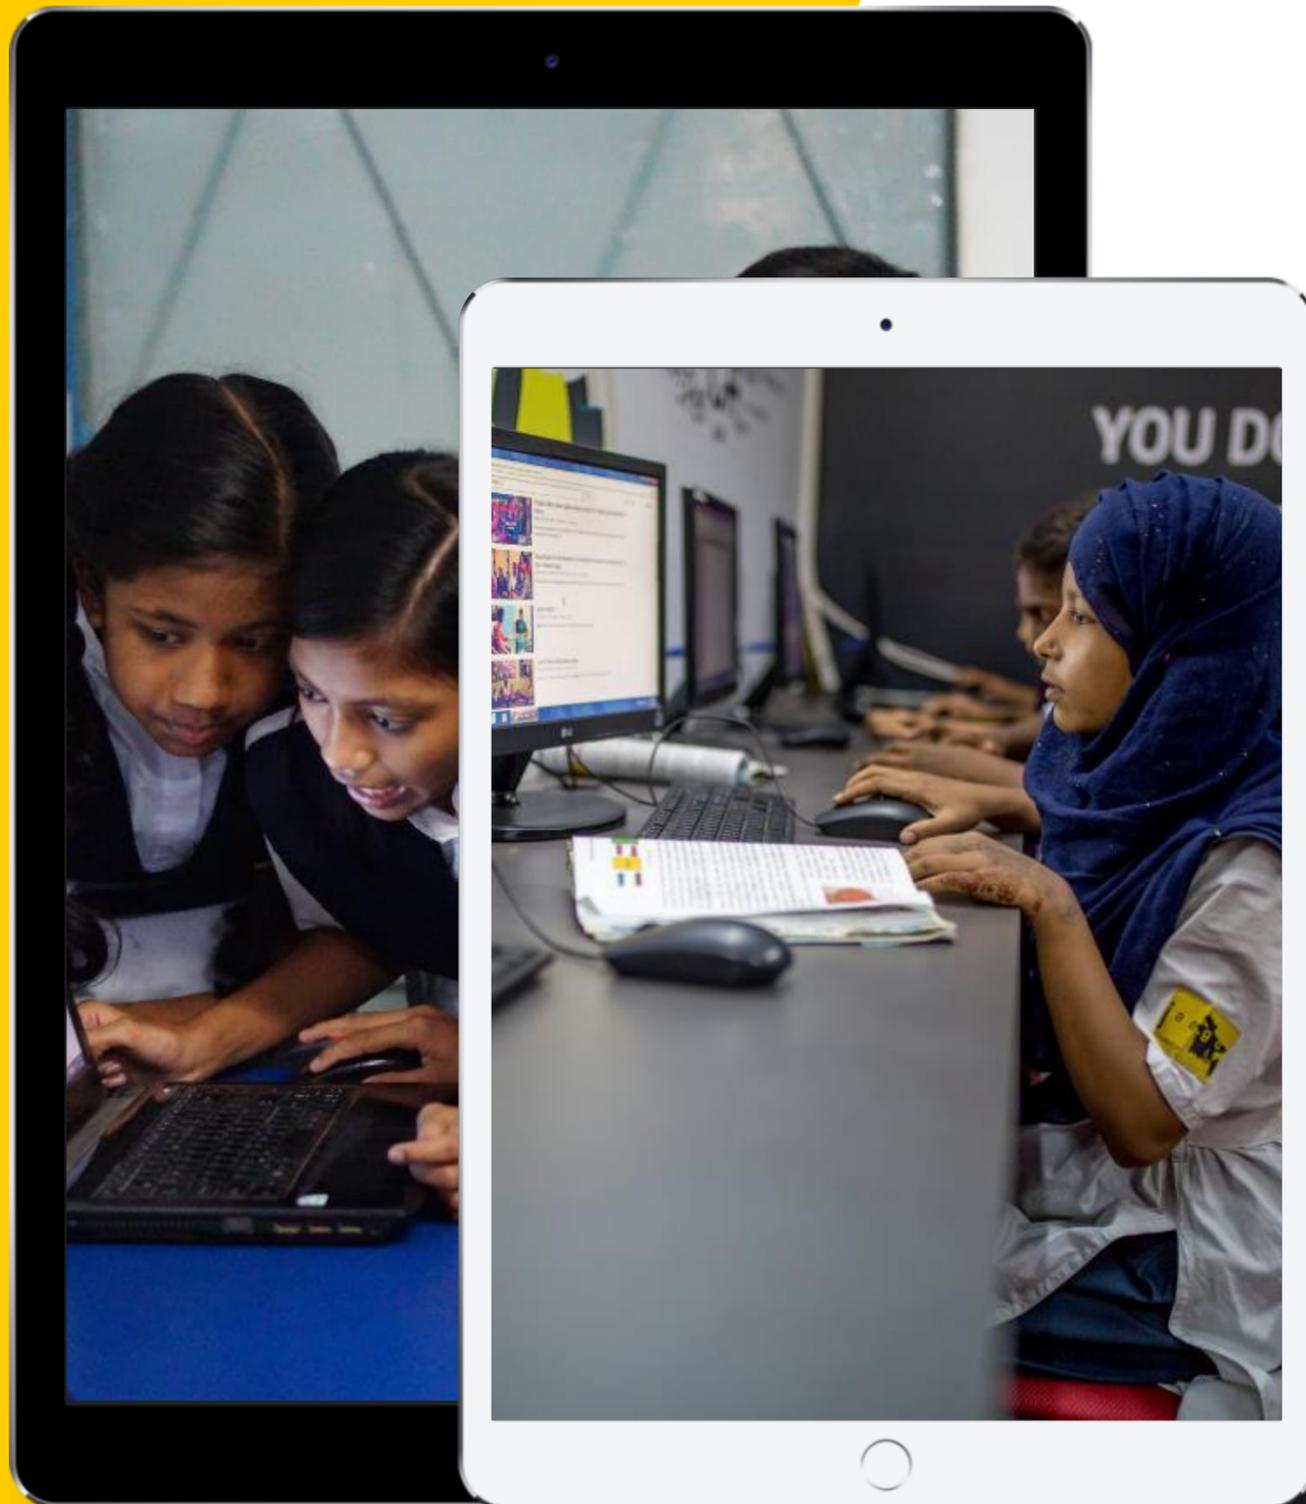

**Expanded the program in the most remote location of Bangladesh**

# The Problem

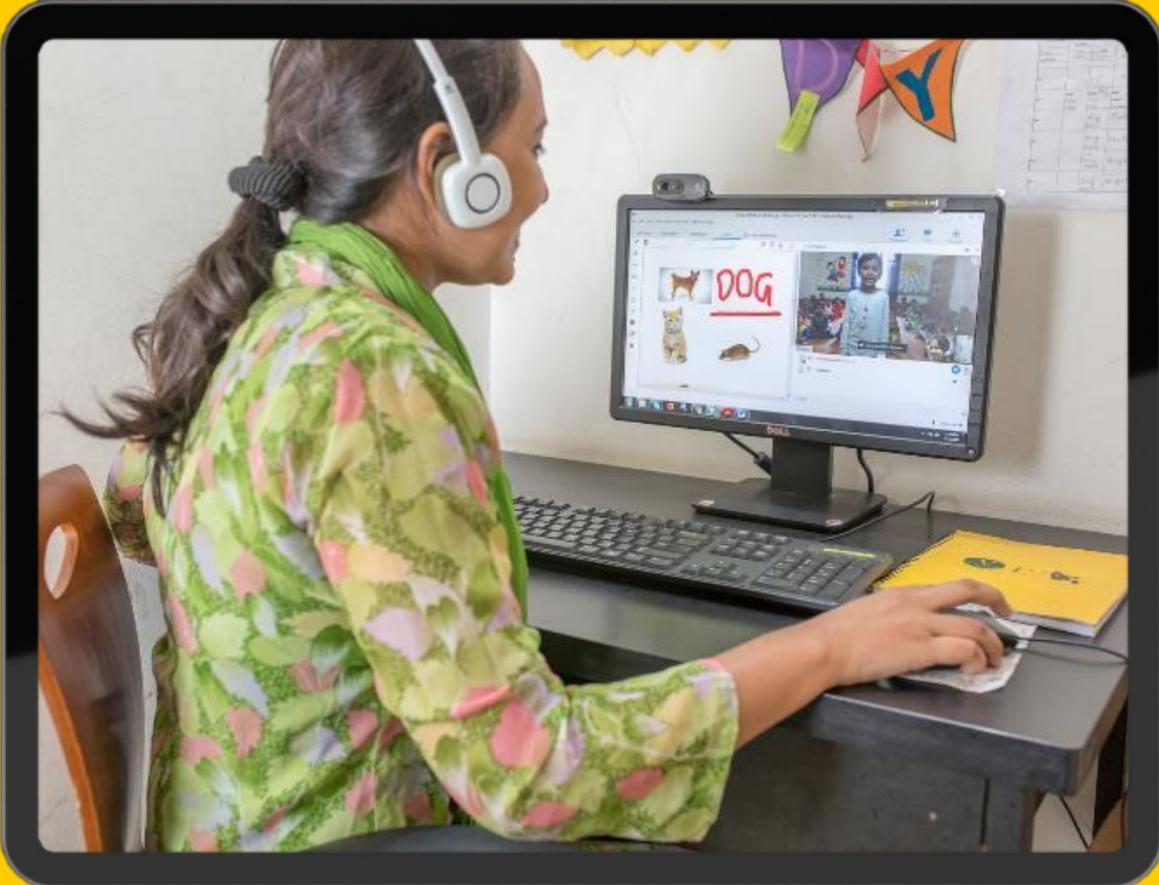

# Lack of Quality Teacher

Extremely hard to find quality teachers in the remote parts of Bangladesh.

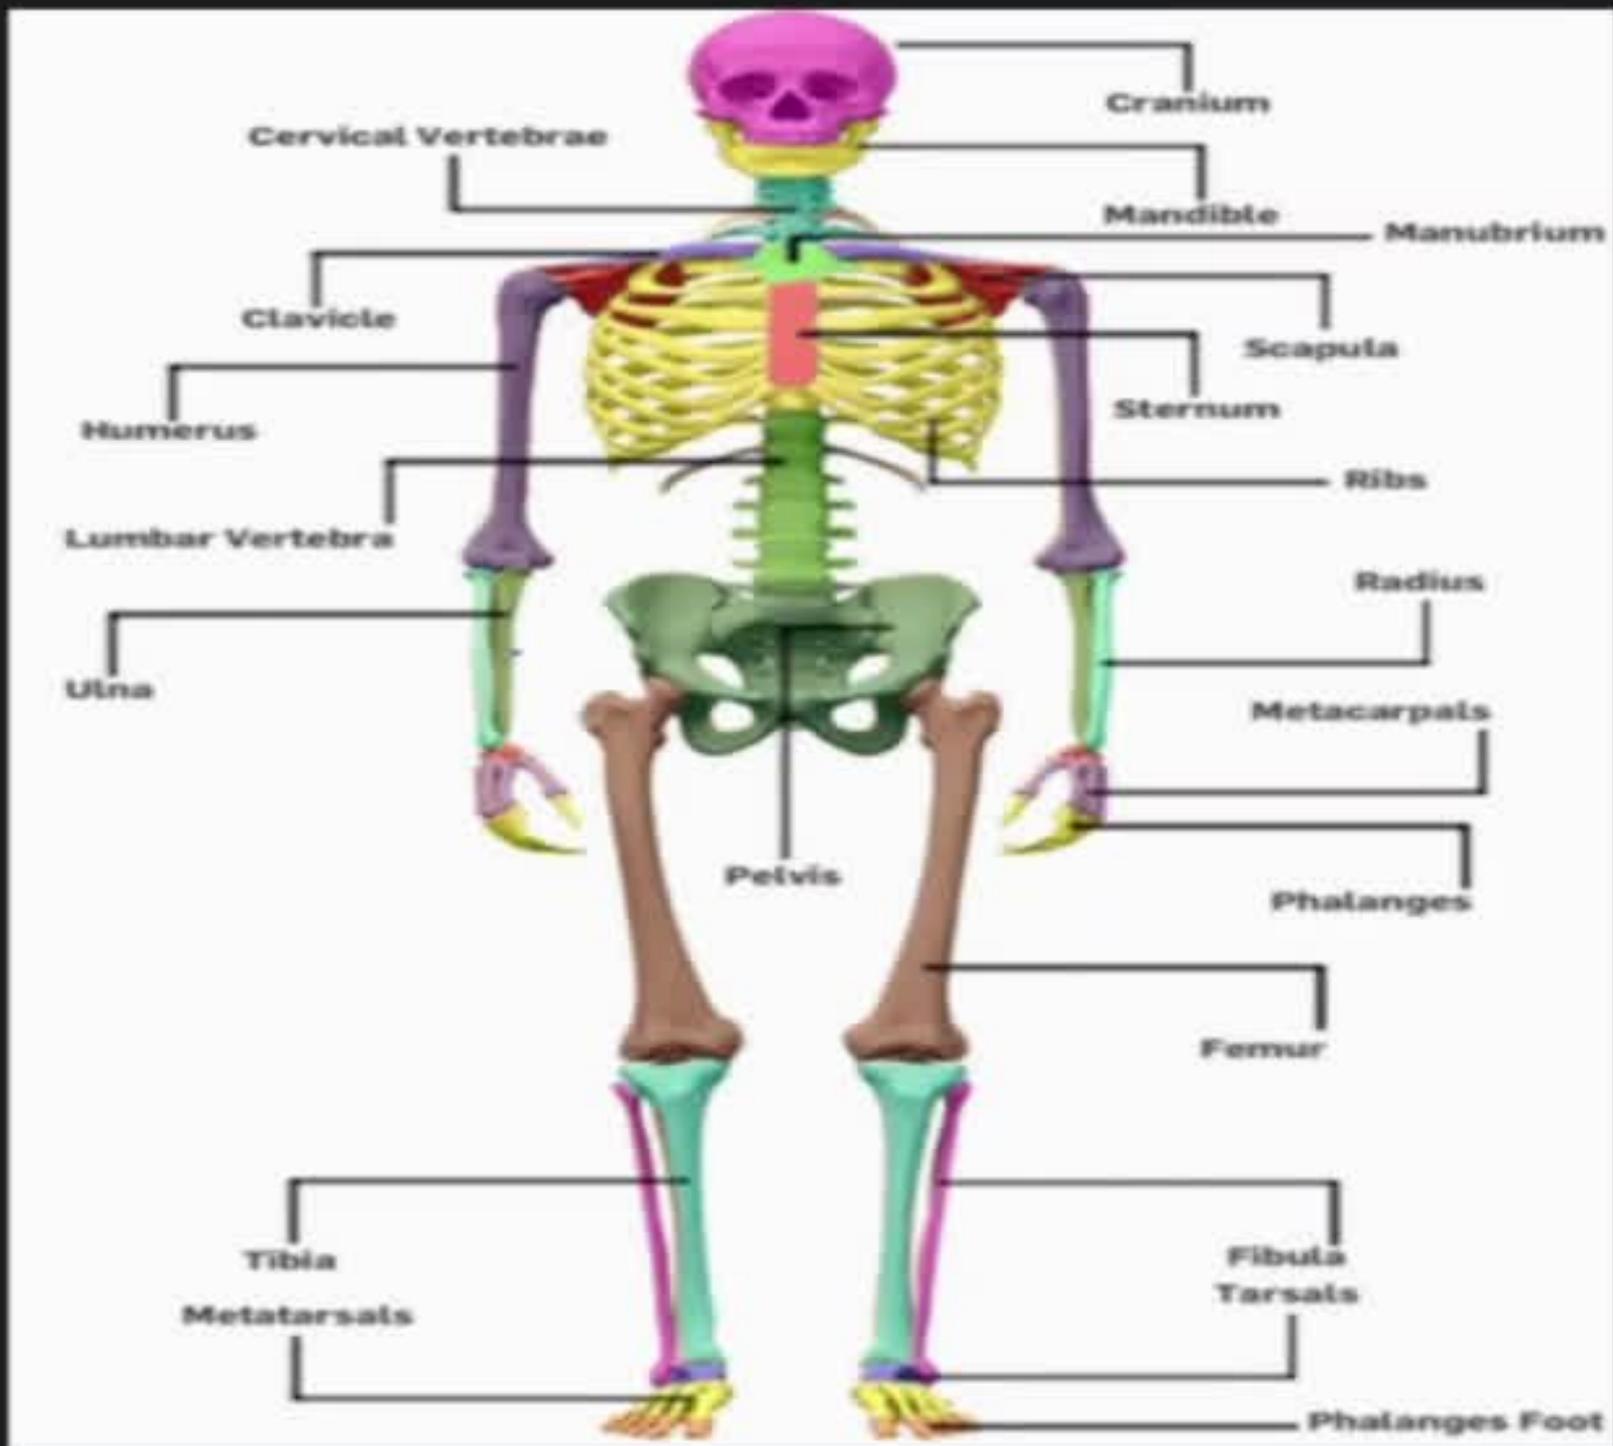

# Digital School

**Qualified teachers conducting classes from the Capital, Dhaka.**

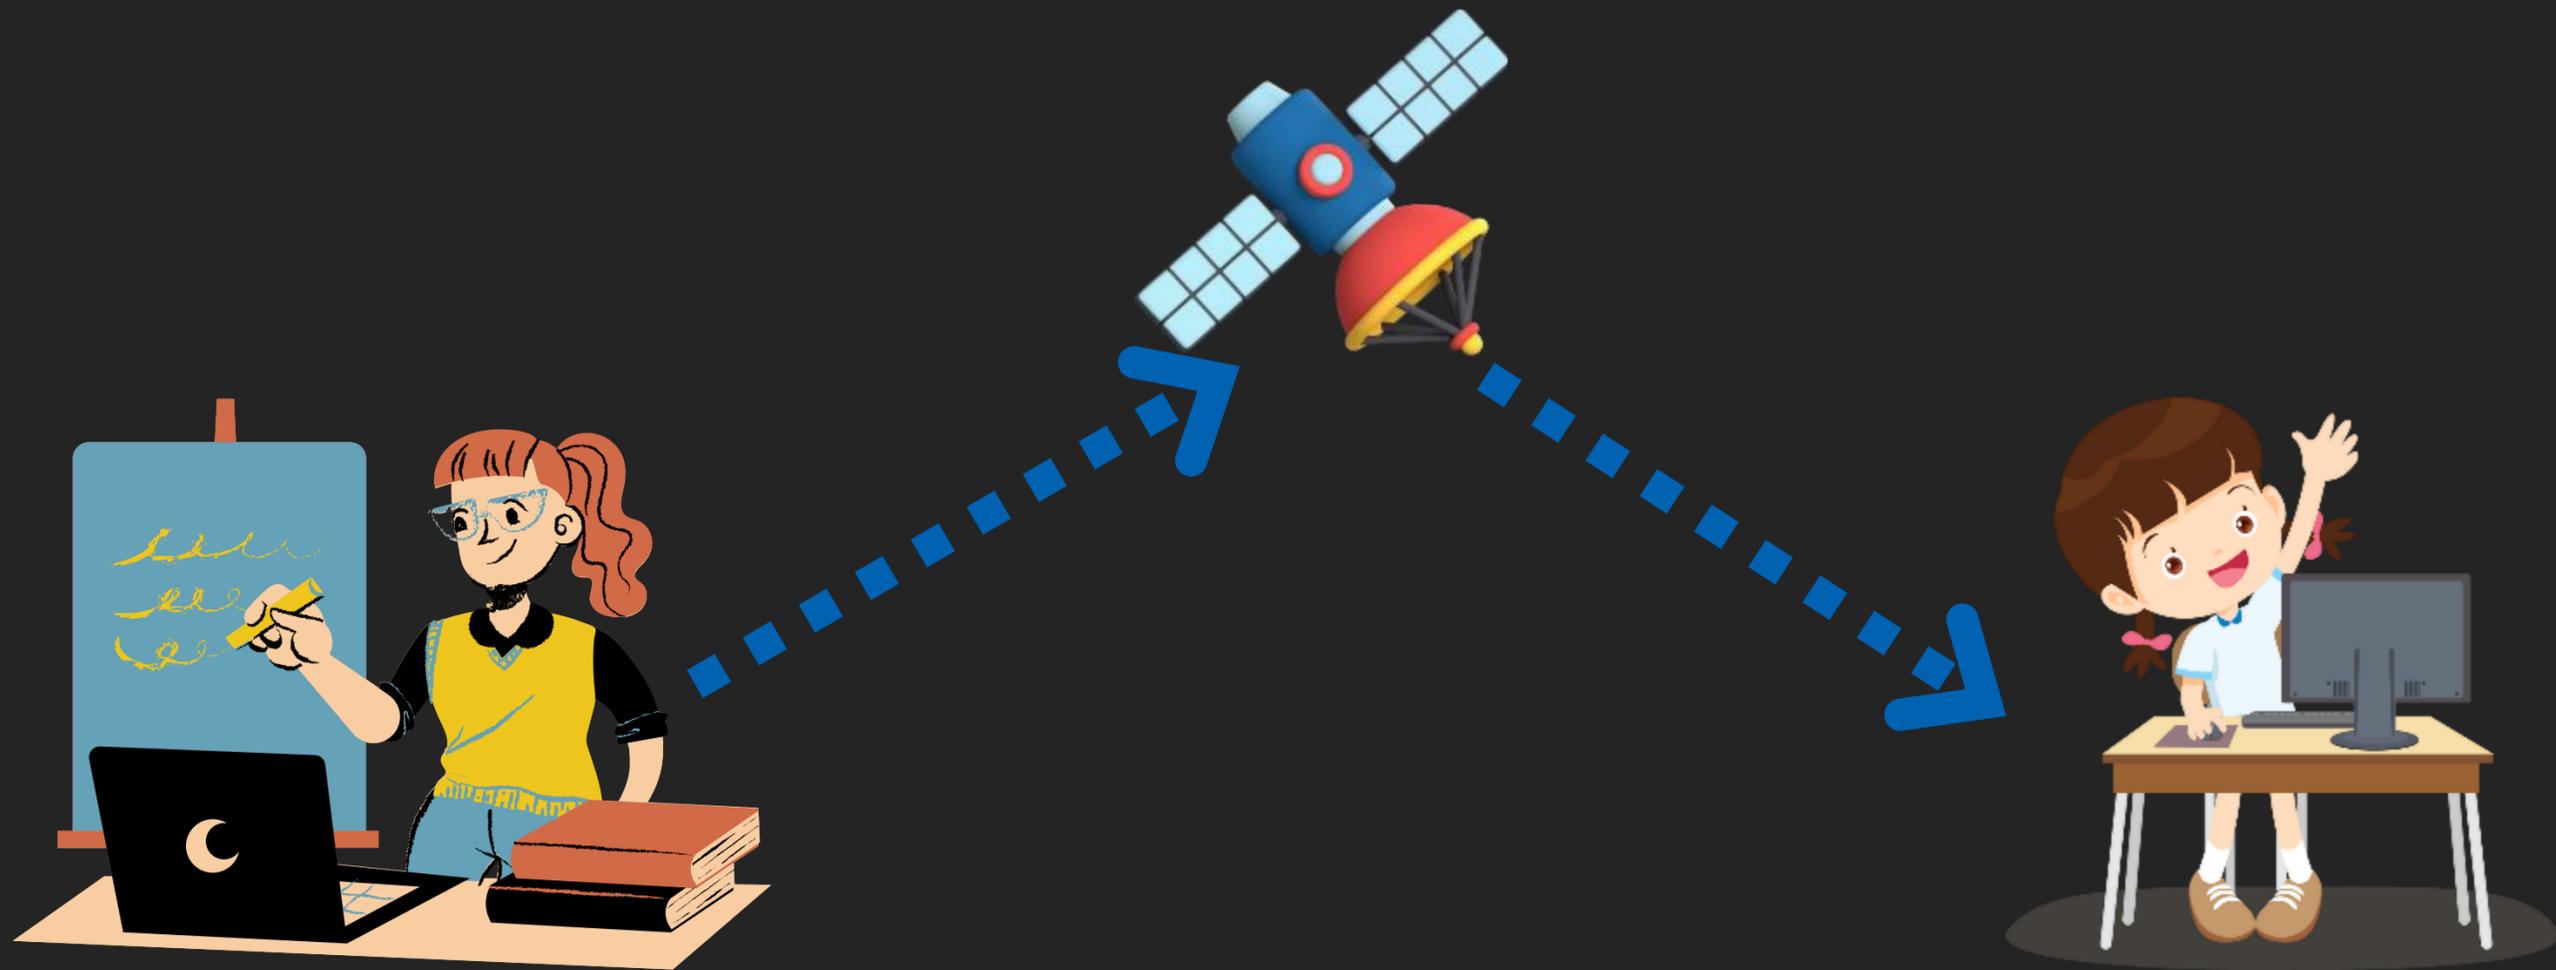

**Students Receiving Quality Education in Rural Areas through “JAAGO Digital School”**

# **BLENDED TEACHING APPROACH ENSURES THE BRIDGE BETWEEN SKILLED TEACHERS & STUDENTS**

**2011**  
**Radio Connectivity**

**2020**  
**Fiber Optic  
Internet**

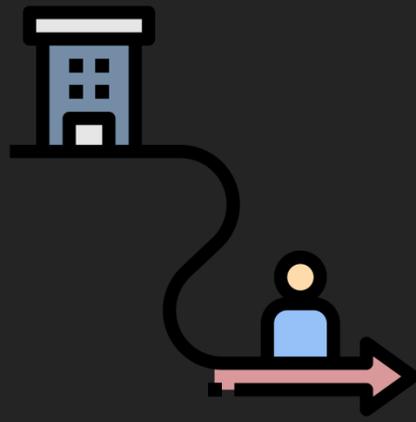

# WHY BLENDED TEACHING APPROACH IS IMPORTANT??

**TEACHERS ARE THE FIRST POINT OF CONTACT WHO ANCHOR STUDENTS IN THE CLASSROOM.**

**BUT, IT IS HARD TO FIND UP-TO-THE-MARK TEACHERS IN THE HARD-TO-REACH AREAS?**

**EVEN WHEN THEY ARE OR BEING TAKEN TO A REGION FAR AWAY FROM THEIR HOME, THEY DONT SUSTAIN.**

**CAUSING NON-ASSURANCE OF QUALITY EDUCATION, LACK OF VALUE EDUCATION AND SOCIAL COUNSELING.**

**RESULTING SCHOOL DROPOUTS**

# THEY WERE BORN WITH WINGS & EDUCATION HELPED THEM TO FLY

**2007 - 2023**

## **SIAM HUSSAIN SHIMUL**

Siam, grew up in the slums of Rayer Bazar and went to one of the world's best international schools, the United World College (UWC) in the USA with a fully-funded scholarship. Siam was a part of the first 17 students at the JAAGO Foundation's school in 2007, and through hard work and determination, Siam completed his International Baccalaureate (IB) program. Currently, he is enrolled in Concordia College, USA.

**2007 - 2023**

## **FATEMA FORAJE**

Fatema Foraje, one of the first 17 students, is a true inspiration. Starting as a student at the JAAGO Foundation school, she interned at the organization's headquarter while pursuing her bachelor's degree. Currently, she teaches at the JAAGO Foundation school.

**2011 - 2023**

## **TAMANNA AKTER**

Tamanna Akter, a student from the JAAGO Foundation school, represented Bangladesh at the Model OIC High School Summit 2022 in Turkey. This is a huge feat, especially for Tamanna, as she never considered attending school before joining JAAGO. And today, she is starting her journey to attend United World College in Armenia.

**2008 - 2023**

## **LELIN AHMED**

Lelin Ahmed, a former student of JAAGO Foundation School, now attends the Community College Initiative in Virginia, USA, with fully funded scholarship. With dedication and commitment, Lelin was recently designated the Dean's List honoree for his academic achievement.

**2007 - 2023**

## **LILY HOSSAIN**

Lily Hossain, one of our first 17 students, called JAAGO her home, where she studied, attended classes and made friends. Now, she has returned to her roots- this time not as a student but as a teacher. She is using her skills and experience to give back to her community.

**The project aims to improve access, retention, and quality of education for girls in both formal and non-formal secondary education settings. It focuses on creating a supportive and inclusive learning environment that addresses the specific needs of girls, while also advocating for policy changes at the local and national levels. By providing opportunities for education and addressing the unique challenges faced by girls in accessing and staying in school, it empowers girls and promotes gender equality.**

**9000 students in partnership with Govt Schools of Bangladesh**

**The Honorable Prime Minister of People's Republic Of Bangladesh inaugurated the "Distant Learning Program"**

**JAAGO Foundation, International Organization of Migration (IOM) and the ICT Ministry of Bangladesh partnered to teach English at "Digital Island Moheshkhali"**

## IMPROVING LIVES OF RURAL CHILDREN

THE EDMC PROJECT IS WORKING TO MAKE A REAL DIFFERENCE IN THE LIVES OF DISADVANTAGED CHILDREN IN REMOTE AREAS OF BANGLADESH.

**The goal of this project is to provide innovative and digital interventions to help students catch up with their learning gaps and complete primary education, with a focus on gender equity and the inclusion of children with disabilities.**
