

Dear Partners and Friends,

Greetings from the Edukasyon.ph!

As you know, the main roadblock to education is twofold: access to information and access to financial support. Although scholarships are widely available, a majority of students are left unaware of the opportunities available to them. With the mission of ensuring affordable, quality education for all, Edukasyon.ph and De La Salle Science Foundation, through the leadership of Br. Armin A. Luistro FSC, joined efforts to launch **Project Layag, a nationwide online scholarship platform**. Project Layag hopes to empower students to finish their education and pursue their dreams regardless of their socio-economic background.

The project aims to bring together all scholarship providers in the country in one accessible platform. With the good work that your organization is doing in providing support to your students, the Edukasyon.ph would like to invite you to join the initiative and consider listing your scholarships online.

In support of the project, the Edukasyon.ph cordially invites you to attend the official launch of Project Layag on **September 25, 2018**, Tuesday, from **4:30 pm to 7:30 pm** at **City Garden Grand Hotel, Makati Ave., Makati City**.

Please RSVP on or before September 14 by filling up this [Eventbrite form](#). For any questions and concerns, you may get in touch with Patricia Carolino of Edukasyon.ph at 0932-193-4341 or pcarolino@edukasyon.ph.

Thank you!
