Executive Director

**PEAC Celebration of National Teachers' Month
(September 5-October 5, 2021)**

***Blended Learning in Multimodal Approach*
October 16 and 23 | 8 AM-5 PM | via Zoom**

Program provider: Continuing Education for the Learning Professionals, Inc. (CELPI)

This is a 2-day webinar designed to introduce blended learning using the multimodal approach. The program will focus on the merging of digital technologies with the traditional learning modalities. The five blended learning models will be discussed and how these models maybe integrated with the other forms of learning modalities in the VARK model. The participants are likewise introduced to the various teaching methods and approaches in using radio and television instructional programs as learning tools. Emphasis is made on the merging and integrating virtual learning with other learning modalities.
