Dear School Head/School Leader:

Warm greetings from PEAC!

The mission of the Private Education Assistance Committee is to enable quality, sustainability, and innovation of the private education sector in support of national development. It is important that education leaders are able to respond to the changing landscape by using essential tools in policy analysis, evidence-based policy development, implementation and communication. Equipping our education leaders in the country with these necessary knowledge could then be imparted to continuously build a culture dedicated to implement genuine reforms in the sector.

It is through the partnership of PEAC and the National University of Singapore that the Lee Kuan Yew School of Public Policy has successfully conducted several runs of the program on Transforming Higher Education Leaders Through Effective Policy Reforms since 2018.

I am pleased to invite you to the fifth batch of this executive program which we now call **Transforming Philippine Education Through Effective Policy Reforms**. This program aims to equip education leaders with ready-to-apply skills and perspectives drawn from Singapore and the region. It also hopes to bring representatives from the government and private sector to provide critical yet insightful perspectives and solutions to the challenges private education leaders face.

The five-day executive program is scheduled on **July 3-7, 2023 at the Bukit Timah Campus of the National University of Singapore**. There is a course fee of **Php130,000.00** which includes electronic course materials, certificate, and lunch and refreshments for five days.

Participants are expected to cover and handle their own flights, airport transfer, accommodations, daily transportation, insurance, incidentals, and other living expenses which are excluded from the course fee.

Participants must be fully vaccinated to enter Singapore, otherwise, will be required by the Immigration and Checkpoints Authority (ICA) of Singapore to take the prescribed COVID-19 test and ensure a travel insurance covering COVID-19 as stipulated in this link, <https://www.ica.gov.sg/enter-transit-depart/entering-singapore>. Please visit the website of ICA for updates on entry requirements to Singapore in July 2023.
