Dear School Leaders, Teachers, and Education Partners:

Warm greetings from the PEAC!

We are pleased to invite you to the 2025 Philippine Education Conference, happening on December 3-4, 2025 at the SMX Convention Center, Pasay City. This year's theme is *"Changing the Narrative of Philippine Education by Making Reforms Work."*

Organized by the Private Education Assistance Committee (PEAC), this national conference is one of the biggest gatherings of education leaders and practitioners in the country. Since 2013, it has brought together around 3,500 participants every two years. The conference features discussions on current education issues, and insights from leaders in government, top schools, and international organizations.

It's a great opportunity to connect with fellow educators, learn from experts, and explore ways to move education forward in the Philippines.
