Dear School Head/School Leader:

Warm greetings from PEAC!

The mission of Private Education Assistance Committee is to enable quality, sustainability, and innovation in the private education sector in support of national development. With ongoing reforms in the country's education system, it is essential for leaders to respond to the changing landscape using tools in policy analysis, evidence-based development, implementation, and communication—to build a culture of genuine reforms.

Since 2018, we have successfully delivered the program *Transforming Higher Education Leaders Through Effective Policy Reforms* through our partnership with the National University of Singapore's Lee Kuan Yew School of Public Policy. Now titled *Transforming Philippine Education Through Effective Policy Reforms*, the revised program schedule aims to equip school leaders with ready-to-apply skills and perspectives from Singapore and the region, featuring insights from government and private-sector representatives.

We would like to invite you to participate in this three-day executive program, scheduled for **July 8-10, 2026**, at the Bukit Timah Campus of the National University of Singapore (NUS). The course fee is **PHP140,000 (One hundred forty thousand pesos)**, covering professional and administrative fees of NUS, lunch and refreshments, course kit, and site visits. Participants handle their own airfare, airport transfers, accommodations, daily transportation, insurance, incidentals, and other living expenses.

Please comply with Singapore's entry requirements, including health declarations. You may check updates at <https://www.ica.gov.sg/enter-transit-depart/entering-singapore>.
