PLEASE NOTE:

All participating schools are expected to comply with the program guidelines issued by DepEd. Failure to attend the orientation conference constitutes a program violation. Each delivery mode or school on campus that fails to send a representative to the orientation conferences without a valid reason will result in a sanction.

All school campuses or delivery modes are required to send their respective representatives to the orientation. In case a school participates in both the ESC and the SHS VP, the school is required to send a representative each for the ESC and SHS VP. In other words, the school shall send two representatives to the orientation conference. Other examples are provided below.

Example 1: A school participates in the ESC program and operates two campuses under the SHS VP program. Therefore, the school is required to register three (3) distinct representatives—one for the ESC program and one for each SHS VP campus:

	Campus 1	Campus 2
<i>ESC Program</i>	<i>Representative A</i>	
<i>SHS VP Program</i>	<i>Representative B</i>	<i>Representative C</i>

Example 2: An ESC school that offers multiple PEAC-certified modes of delivery is required to designate one representative for each mode. In this example, the school must register three (3) distinct representatives.

	Regular JHS	Night High	Sunday High
<i>ESC Program</i>	<i>Representative A</i>	<i>Representative B</i>	<i>Representative C</i>

For clarifications on the required number of representatives, schools may contact their respective PEAC Regional Secretariat. Contact details are found on the “Contact Us” page of the PEAC Website (peac.org.ph).
