

TRANSFORMING PHILIPPINE EDUCATION THROUGH EFFECTIVE POLICY REFORMS

25 November 2026 – 27 November 2026

ABOUT THE PROGRAMME

Effective leadership in higher education today requires a diverse set of skills to navigate the complexities and challenges of the academic environment. This programme is designed to empower leaders in the higher education sector with the knowledge, skills and tools necessary to navigate and implement meaningful policies.

This programme takes a highly personalized approach to help the leaders to cultivate innovative leadership that can adapt to the rapidly changing educational landscape and drive meaningful transformation within their institutions. The programme comprises of interactive workshops, learning journeys and sessions that is structured to provide both theoretical insights and practical applications. Participants will be able to exchange ideas with various expert faculty members and practitioners who share their experience through the Singapore context.

KEY LEARNING OUTCOMES

- Gain a comprehensive understanding of existing policy and frameworks in the education sector.
- Acquire the skills and knowledge necessary to implement and promote technology-enhanced learning environments and continuous learning opportunities within their institutions.
- Strengthen leadership capabilities and strategic planning skills.
